Australian Masterpoints

Following the recent Summer Festival and Gold Coast Congress's I thought it appropriate to highlight the procedures in place to have ABF Gold Points converted to NZ A Points.

Please go to the following page <http://www.abf.com.au/master/index.html> on the ABF Website and select "Award Details"

Enter your ABF number or do a name search, click on the ABF number and download the statement. This will show full details of individual points won in the current year.

If it shows total points only then you do not have any current points to be converted and no action will be taken.

Send a copy of the statement to this office, either by email or post via the contact details below. Please ensure you include your NZ Bridge computer number.

A handwritten signature in black ink that reads "Alister Stuck".
