With Barry Jones over your shoulder

The above email address is for sending Barry questions.

The questioner will remain anonymous because it is expected Open players may wish to submit questions, as well as wishing to protect the individual.

Grandmaster Barry Jones is the personality behind the very successful Jones Day Out improver classes organised in the Waikato Bays Region.

The format is four rounds of swiss pairs, randomly-dealt hands, with questions between rounds.

Barry answers the questions on the fly. He's rather un-pc and quite humorous but his great strength as a tutor is his preparedness to put his experience on the line. One is never in doubt what Barry thinks.

Intermediate Table is a column published in New Zealand Bridge magazine.

Send your questions to Barry at the above gmail address and watch for his response in the magazine. He will not answer online or engage in email exchanges.

Clubs and regions, please encourage players to participate.
