To everyone at NZ Bridge Foundation

Thank you for your donation towards earthquake and tsunami assistance in Samoa.

New Zealand Red Cross is working closely with our Pacific Red Cross colleagues to help the many victims of this disaster.

Three New Zealand Red Cross humanitarian aid workers and Red Cross disaster response supplies - tarpaulins, water containers and first aid supplies - were rushed there the day after the disaster. 50 family tents, 1,000 blankets and 500 kitchen sets quickly followed. The aid workers initially helped the Samoan Red Cross with their immediate disaster response and are now working on recovery and rebuilding. By the time you receive this letter over \$1.5 million of aid is on the way.

You can keep up to date on the relief activities in Samoa by visiting our website www.redcross.org.nz.

Thank you again.

Yours sincerely

John Ware
Chief Executive

Thank you so very much for your support. So many caught up in this disaster will be helped because of your generosity. Warm regards,
