2010 MASTERPOINT TOTALS ONLINE

Further to the earlier memo today this issue with the 2010 Masterpoint Totals has been resolved. As part of the fix any data inputted since the end of year close off has been deleted and I will need to reload this. I have copies of all of the affected files but it will be late next week before I am able to recapture everything.

Regards

A handwritten signature in black ink that reads "Alister Stuck".
