2010 MASTERPOINT TOTALS ONLINE

I am aware of a problem with the 2010 Masterpoint totals that are populating through to the Website. For those players who have been credited with 2010 Masterpoints you will notice that while the individual event awards are correct the yearly totals are inflated.

This is being looked at now. Part of the testing will involve further Website updates where this information may change but will still be incorrect.

I will post a further notice once the issue has been resolved.
