## To all Clubs and Regional Committees

### NZ Bridge Website

Yesterday our Website was restored. My thanks to Wayne Burrows who stepped in and spent several hours working on a fix while Telecom struggled with the issue.

I am hopeful that we have successfully restored all links and they are live and the information current. Please email me with details if you find something is not working.

As a result of the downtime I have not been able to run the Masterpoint update that I scheduled for June 24<sup>th</sup>. I will complete an interim update later today.

The quarterly update and Report run due at the end of June will be delayed until I have received and cleared all of the files up to June 30 from the 8 Clubs who are forming the Top of the South Region. This is necessary as these Clubs will then be issued with new Club numbers.

Thank you all for your patience over the past fortnight while we have been offline.

Regards
